Linked training

School

- Coordinator / supervising manager of all practice training / agreements
- Dialoge with the supervising-teacher
- Preparing the practice training
 - Simulating
 - Case-studies
 - Teaching for transfer
 - Lessons about workplace training
- School "review" (sheet)
- Individuel learning goals (goal setting model)

School review

The school-review are based on a dialog between the student and the "supervising-teacher".

The school-review tells the workplace-supervisor about:

- Special learning needs
 - Dyslexic
 - Personal and social problems
- Grades
- Absence from class

Practice /workplace-training

- Dialoge about expected "learning outcome" (interview guide)
- Weekly supervision+ studytime
- Evaluation / dialoge – 16 learning goals
- Educated/ trained supervisor
- "Practice review"

Review from work-place

The review from workplace tells the school about:

- Performance in practice
- Learning outcome
- Individual learning goals
