**WorkQual Project
Partner Meeting 4 Nantes – France**

10. How could the event have been improved for you? What could and should have been done differently and better?

11. As a consequence of this event, how do you think the work done here will help in reaching the goals of the project?

12. Do you feel confident that you can say that the project is meeting the expectations the partnership and you as a partner had about the project?

If so, was there anything special that you would point out?

If not, what do you think we are not achieving?

13. Any additional comments you may wish to add:

Thank you for your cooperation
