expected results

Through these meetings, we will try above all to define :

- what we want to share, what we have in common (issues...)
- the method to work with the territories (how to work with the stakeholders and how to implement it with the stakeholders)
- the communication plan
- the role of each organisation and of each person participating in the dynamic

administrative and financial management

we will work on the financial and administrative aspects of the programme through a serie of distance meetings.
